

# 10 Original Thrash Metal Licks With Audio/Video Modal Guitar Licks

Thrash metal is a subgenre of heavy metal music that emerged in the early 1980s. It is characterized by its fast tempo, aggressive sound, and use of distorted guitars. Thrash metal guitarists often use complex and technical licks to create their distinctive sound.

In this article, we will provide you with 10 original thrash metal licks that you can learn to play. Each lick is accompanied by an audio/video modal that demonstrates how to play it.

## 1. The "Metallica Riff"

This lick is one of the most iconic thrash metal riffs of all time. It is featured in the song "Master of Puppets" by Metallica. The lick is played using a combination of downstrokes and pull-offs.
