

How To Recognize if a Demon Has Become Your Friend: Signs and Warnings

Demons are often depicted as malevolent entities that seek to harm humans. They are associated with fear, darkness, and evil. However, there are also instances where demons have befriended humans. These friendships can be dangerous and can lead to possession or demonic influence.

It is important to be aware of the signs and warnings that may indicate a demon has become your friend. By being aware of these signs, you can take steps to protect yourself and your loved ones.

Signs and Warnings

There are a number of signs and warnings that may indicate a demon has become your friend. These include:

- **Increased feelings of depression or anxiety.** Demons feed on negative energy, so they may try to make you feel depressed or anxious in order to gain power over you.
- **Strange or unusual behavior.** Demons may cause you to act in ways that are out of character for you. This could include becoming more aggressive, violent, or withdrawn.
- **Sleep disturbances.** Demons may disrupt your sleep by causing nightmares or insomnia.
- **Physical problems.** Demons may cause physical problems such as headaches, stomachaches, or chronic pain.
- **Addiction.** Demons may lead you to become addicted to drugs or alcohol in order to control you.

If you are experiencing any of these signs or warnings, it is important to seek help immediately. A qualified demonologist or exorcist can help you to remove the demon from your life.

Demons are real and they can be dangerous. However, by being aware of the signs and warnings that may indicate a demon has become your friend, you can take steps to protect yourself and your loved ones. If you are concerned that you may be possessed or influenced by a demon, please seek help immediately.
