- The causes and consequences of migration for both sending and receiving countries
- The experiences of migrant domestic workers, including their working conditions, living arrangements, and social networks
- The policies and practices that govern migration and domestic work
- The impact of migration and domestic work on families and communities
- The role of technology in shaping migration and domestic work

Data and Methods

The book draws on a wide range of data sources and research methods to provide a comprehensive analysis of migration and domestic work. These include:

- Quantitative data from surveys and censuses
- Qualitative data from interviews and focus groups
- Policy analysis
- Historical research

Findings

The book's findings provide new insights into the complex relationship between migration and domestic work. Some of the key findings include:

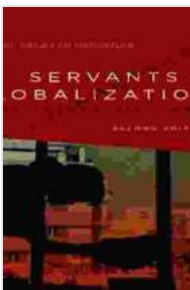

- Migration for domestic work is a global phenomenon, with workers coming from a wide range of countries to work in a variety of destinations.
- The majority of migrant domestic workers are women, and they often face significant challenges, including low wages, long hours, and abuse.
- Migration and domestic work can have both positive and negative consequences for sending and receiving countries.
- Policies and practices that govern migration and domestic work can have a significant impact on the experiences of migrant domestic workers.

Implications

The book's findings have implications for policymakers, researchers, and practitioners working in the field of migration and domestic work. The book calls for:

- Increased attention to the needs of migrant domestic workers
- Policies that protect the rights of migrant domestic workers
- Research that explores the complex relationship between migration and domestic work

"Migration and Domestic Work" is a valuable resource for anyone who is interested in understanding the global phenomenon of migration for domestic work. The book provides a comprehensive analysis of the causes, consequences, and policies surrounding this important topic.
