Ready to embark on your own punch needle adventure? Let's dive into the step-by-step process of creating a Faustine-inspired punch needle friend:

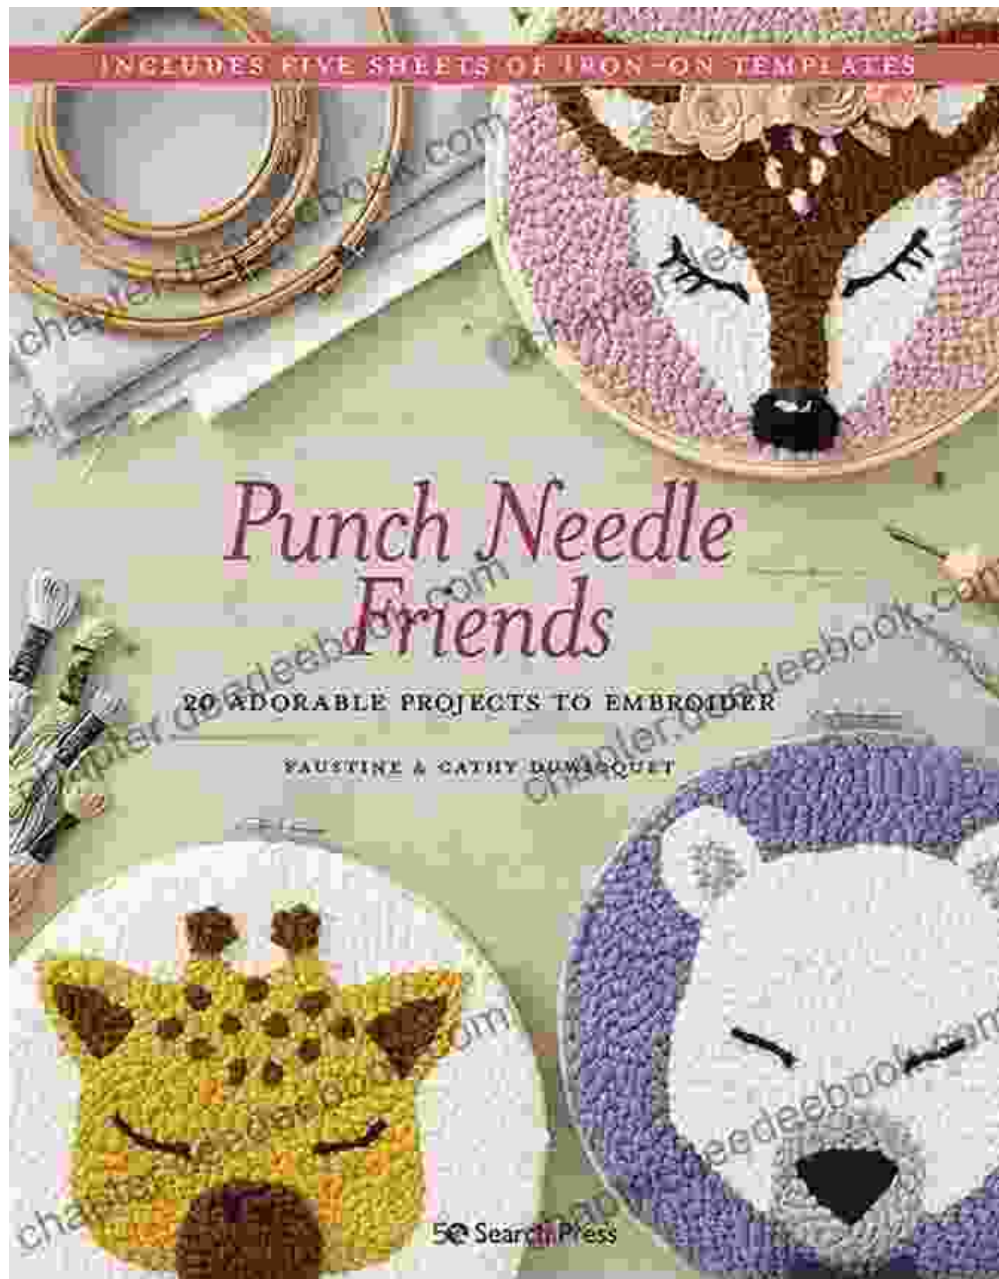

### Materials You'll Need:

- Punch needle

- Yarn (worsted weight or embroidery floss)
- Fabric (monk's cloth or linen)
- Embroidery hoop
- Scissors
- Needle and thread
- Optional: felt, beads, or other embellishments

### **Instructions:**

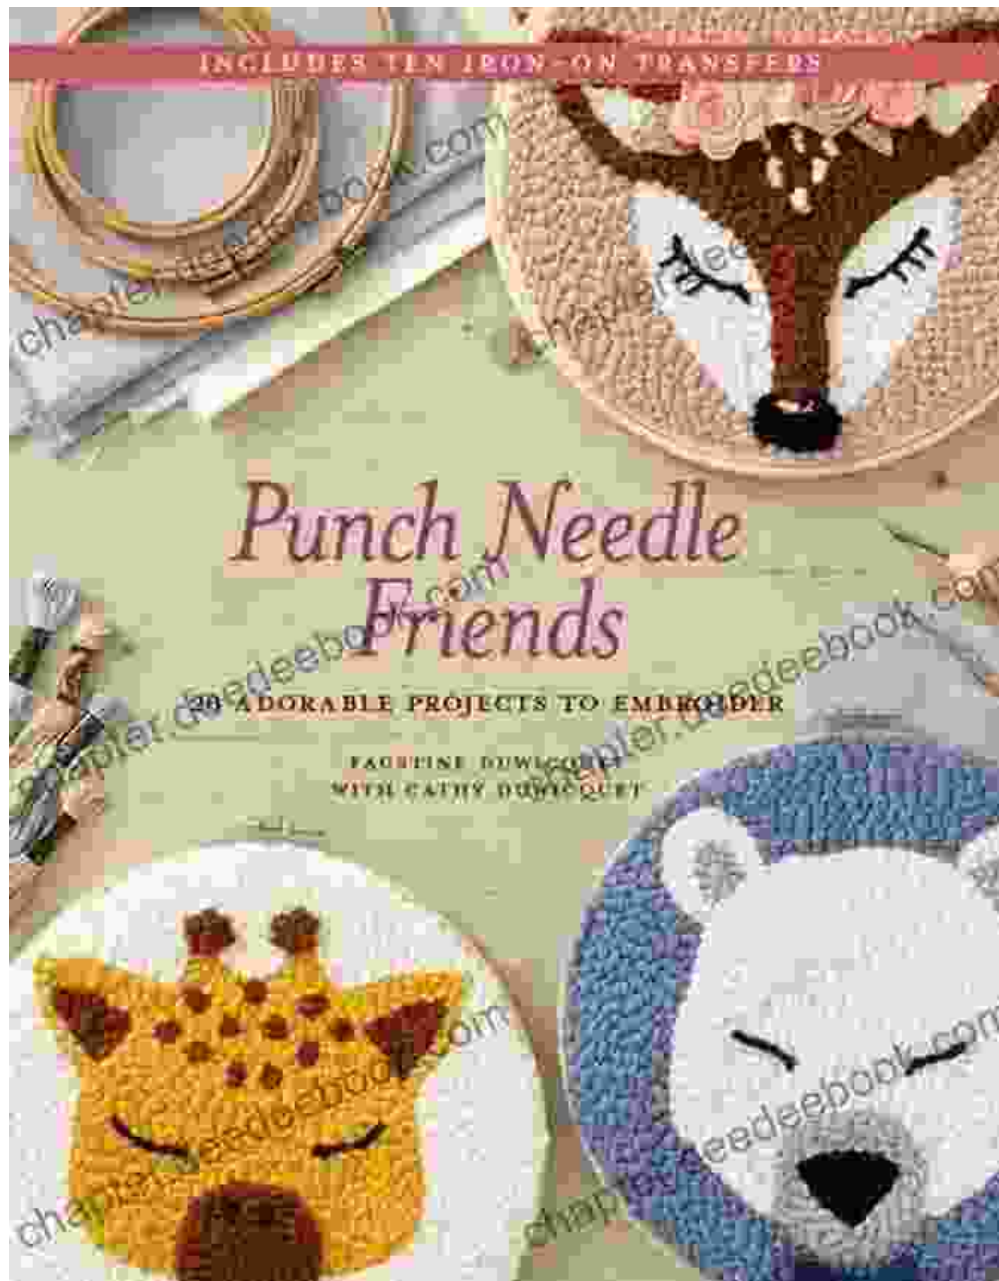

1. **Prepare your fabric:** Stretch your fabric tautly in the embroidery hoop.
2. **Choose your pattern:** Faustine offers a variety of free patterns on her website. Trace the desired pattern onto your fabric using a pencil.
3. **Thread your punch needle:** Insert the yarn into the needle and pull it through, leaving a tail of about 6 inches.
4. **Start punching:** Hold the needle perpendicular to the fabric and gently push it down through the fabric, exiting at the pencil line. Pull the needle back up through the fabric, creating a loop-pile stitch.
5. **Continue punching:** Work your way around the pattern, punching stitches closely together to create a dense, raised texture.
6. **Finish your friend:** Once the embroidery is complete, trim any excess yarn and secure the loose ends. Add any desired embellishments, such as felt details for eyes and noses.
