These authors are not afraid to tackle the tough issues, from the rise of authoritarianism to the climate crisis. They write with passion, intelligence, and a deep commitment to truth. Their essays are a call to action, a reminder that we cannot afford to be silent in the face of injustice.

The essays in *Report From Planet Midnight* are as diverse as the authors themselves. We hear from writers of all backgrounds, races, genders, and sexual orientations. They come from all over the world, and they have

different perspectives on the issues facing our planet. But they all share a common goal: to speak out for what they believe in.

The essays in this collection are a powerful reminder that we are not alone. There are others who share our concerns, and who are willing to fight for a better world. *Report From Planet Midnight* is a book that will inspire you, challenge you, and make you think. It is a must-read for anyone who cares about the future of our planet.
